### ABOUT SOCOTEC CERTIFICATION SINGAPORE

SOCOTEC Certification Singapore was inceptioned in December 1994. Over the years, we have expanded our business from management system certification to provision of WSH/NEA audit services as well as training-related services. SCS aims to continuously expand our business and aspire to provide full-length services to organizations in the future.

In 2013, SCS joined the SOCOTEC Group, a major player in testing, inspection & certification (TIC) operating in 50 countries with 5,200 staff and more than 30 subsidiaries. Under the SOCOTEC Group, SCS aims to assist organizations to meet their challenges, optimize their performance and prepare them for tomorrow's world.
